Live Streamed Services

Effective this Sunday, our live stream will look quite different and simple. We will do our best to provide most of what those in-house see, but our ability to offer all the past bells and whistles (like zooming in/out, variety of camera views, videos, lyrics, etc.), will be limited, and may even be missed.

If you would like to help us in the tech booth on Sundays,

please contact Christel at worship@marinersbethel.org or 302-542-8363. We'd love to include you in our small BUT mighty tech team. It's not as scary as one would think. When you hear my story, you'll know that if I can do it, so can you.

Thanks for considering and praying about serving in this exciting way.

We thank God for His grace by giving back, as we invite you to take a small but significant moment to reflect how God has blessed and is blessing you – and what your plan for response to Him should be. Pledging is the planning step for the act of generous giving. Particularly during this time of transition as a Global Methodist Church with the financial challenges and missional opportunities we face together, planning for giving provides Mariners the ability to move boldly and confidently forward. Pledging, making your covenant with God, is critical preparation for what you owe the Lord for all His blessings to you.

Paul urged in his letter to the church in Corinth, as he stresses today through his timeless message to our church in Ocean View, that there are many **compelling reasons to give generously – among them:**

Giving is the best investment you can make. What you give to the Lord He multiplies – your time, your gifts, your money.

Giving should be fun - never forced or grudging. Generosity leads you to happiness, believe it or not!

Giving frees you from the self-centered grip of materialism.

Giving inspires others to praise God through your generosity.

Giving supplies the needs of God's people.

Giving is evidence of real faith. You are affirming that God - not yourself, anything, or anyone else - ultimately provides for your needs.

Giving makes you a true Mariners stakeholder. Every time someone comes to know God and grow in Christ through Mariners people and programs, as an active participant you share in the blessing.

Giving is a response to God's gift to you. Your giving reflects God's amazing grace – the gift of His Son.

Please consider what the Lord has done for you, and what your responsibility to thank and praise Him over the next year should be. Faithfully complete the card you received with your 2024 pledge opportunity. Mail it or bring it to our October 29 worship service to dedicate to our Lord. Your pledges of the willing gifts of your time, your talent and your money ultimately support Mariners programs and outreach to address needs at church, in Ocean View and beyond, bringing others to **Know God, Grow in Christ and Go in the Spirit.** Thank you and bless you for your support!
